

Please observe the particulars regarding size, color, brand etc. for each level of the school. We encourage you to take advantage of Back-to-School Sales and to purchase the required items at the vendor(s) of your choice. All school supplies should be labeled with your child's name and brought to school on the first day of classes. (*Rather than sending your child with ALL his/her paper and pencils, please send him/her with one pad of paper, three sharpened Ticonderoga pencils and three sharpened red/blue pencil.*) Also, individual teachers may request the purchase of additional items, as needed, once school is in session.
